

Recharging the Residents of Apple Rehab

On Tues. Aug. 20th we had 12 cars make our annual visit to let the residents of Apple Rehab in Westerly remember the cars of their youth. It was a perfect day with plenty of blue skies and many folks were out admiring our cars.

To top the day off, we were treated to a hamburger/hot dog dinner and the ever-lucky Dave Calabrese won the 50/50 raffle. The cruise provided some fond memories that we'll treasure until we do it again next year.
